Plenary 2020

*What do you think God is asking of us
in Australia at this time?*

Some of the feedback from last weeks
Plenary session included:

- Inclusion of all Christian faiths, languages and ethnic, cultural backgrounds.
- Acceptance and non-judgement; especially providing Holy Communion for all who believe.
- Education of everyone (clergy and lay) in knowledge and holiness to evangelise those who do not have contact with the church.
- We are the church community; we need to be open and inclusive of others, especially lapsed catholics and the divorced and re-married.
- Total inclusion of all people in the church; make the liturgy more accessible to everyone by its language and actions.
- Back to basics, while moving forward.
